303-709-4702 | nik.ertle16@gmail.com

Full-Stack Web Developer with a Web Development Certificate from the University of Denver and Certificate from Arapahoe Community College as a PC Certified A+ Pro. Quick learner and someone who takes initiative on tasks. Accels designing user interfaces to be friendly and easy to use for the user. Contributed to building well-received applications alongside peers while mastering skills in HTML, CSS, Javascript, NodeJS, ExpressJS, SQL, MongoDB, GraphQL, and React University of Denver.

Experience

Warehouse Assistant   **March 2020-Present**
BKC Kitchen and Bath   **Littleton, CO**
Organized and communicated with staff members to load and deliver cabinet orders to customers. Ensured construction projects were not delayed by making sure all parts were delivered in a timely manner. Took delivery and inventoried on average 250 cabinets a week from 6 different manufacturers.

Package Handler   **November 2019- February 2020**
United Parcel Service   **Commerce City, CO**
Sorted and loaded over 1000 packages per day onto trucks for delivery while following safety guidelines in accordance to company and federal standards.

Vehicle Receiver   **August 2018-November 2019**
Copart   **Littleton, CO**
Photographed vehicles and documented information to be uploaded to the Copart auctioning site. Assisted with drop-off and pickup of trailers and heavy vehicles. Gathered information, rephotographed, gathered personal belongings, and matched additional sets of keys with different vehicles.
